All squads will begin on time barring failures beyond PRCUSBC control. Bowlers will be given ten (10) minutes of practice beginning at the squad time start. A tardy bowler will receive a "0" for each frame missed.
5. Singles DOES NOT have to be bowled in the same squad as doubles. However, this must be indicated prior to the start of the squad. In similar, you cannot add singles to an ongoing squad after you've completed doubles, or vice versa.
6. This tournament will be conducted on a handicap and scratch basis. The handicap basis will be 90% of 225, based on the following average:
 - a. Highest USBC certified average (winter or summer) using bowl.com for the 2024-2025 season with a minimum of 21 games.
 - b. If (a) does not apply, a bowler will use their current USBC certified average, minimum 15 games, by providing a league standing sheet.
 - c. If neither (a) or (b) apply, the bowler will use a 225 average and bowl scratch.
 - d. Rule 319a, 319b, 319c and 319e WILL ALL apply. However, 319d and 319f will NOT apply.
 - e. All leagues that certify as "Sport" or "Challenge" by USBC shall be subject to average adjustment according to rule 202a-202e.
